Research in the Sociology of Organizations | Emerald Insight

Interest in and research on nonprofit organizations and sectors have developed rapidly in recent years. Much of this work by sociologists has focussed on particular subsectors rather than on nonprofits as a class. This review attempts to extract from a large and varied literature a distinctively sociological perspective on nonprofits, which it contrasts to influential work in economics. Two ...

Research in the Sociology of Organizations

Colleges, businesses, political parties, the military, universities, and hospitals are all examples of formal organizations, which are secondary groups that have goal-directed agendas and activities. In contrast to official organizations, the informal relations among workers comprise informal organizations. Studies have clearly shown that quality informal relations improve satisfaction on the ...

Social Organizations - CliffsNotes

Primary groups consist of both in-groups and out-groups, as do secondary groups. While group affiliations can be neutral or even positive, such as the case of a team-based sporting competition, the concept of in-groups and out-groups can also explain some negative human behavior, such as white supremacist movements like the Ku Klux Klan, or the bullying of gay or lesbian students.
